THA Retirement Plan

When the time comes, you want your employees to be able to retire with confidence. Give them the support they need to ensure the future they deserve through the Texas Hospital Association Retirement Plan.

The THA Retirement Plan is designed specifically to meet the employee retirement needs of hospitals and health care entities. Plus, you achieve economies of scale by combining the market power of the THA membership for investments, participant education and program administration.

We work diligently to keep our fees low, ensuring Texas hospitals a lower overall costs compared to other competitors.

Our clout in the investment marketplace is much greater as a group than as individuals. Likewise, educational materials and services can be higher quality and more comprehensive at an affordable price by working together.

The THA Retirement Plan offers a number of advantages to your hospital, including:

Reduced liability for both the hospital and its executives.

Customization to meet the unique needs of your hospital and its employees.

Oversight management that ensures full regulatory compliance, fiscal accountability and investment prudence.

Best-in-class investments and consistent performance.

Texas hospitals have trusted the THA Retirement Plan professionals with their employees' retirement assets since 1969. Our team manages more than \$20 million in annual contributions, and more than 23,000 hospital and health care employees across Texas rely on the THA Retirement Plan for efficient, low-cost retirement planning. In fact, it is one of the largest trade association-sponsored retirement programs in the United States.
